Sir:

**PETITION TO WITHDRAW ABANDONMENT BASED ON FAILURE TO
RECEIVE OFFICE ACTION OR IN THE ALTERNATIVE UNDER 37 CFR § 1.137(A) AND
REQUEST FOR REMAILING OF OFFICE ACTION**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Pursuant to *Delgar v. Shulyer*, 172 USPQ 513 (D.D.C. 1971), Applicants hereby petition to withdraw the holding of abandonment. A Notice of Abandonment dated November 1, 2002, was received by the Applicants' representative on October 8, 2002. The Notice of Abandonment indicates that abandonment occurred due to failure to respond to the Office letter mailed on February 13, 2002.

No response was filed because the February 13, 2002, Office letter was never received. To establish non-receipt of the February 13, 2002, Office letter, the undersigned hereby states and attests that searches of the file jacket and docket records were made. The February 13, 2002, Office letter was not found in the file jacket and no indication of receipt of the February 13, 2002, Office letter was found in the docket records.

As to the docket records, enclosed is a printout from the computer docketing system used by Applicants' representative. Referring to page 1 of the docket record Patent Information

Print under the section entitled Actions, there is an entry for the filing of the application. The next entry in the docket record (see page 2) is the Notice of Abandonment, which was received on May 13, 2002. If received, the May 18, 2001 Office letter would have been docketed between the filing and the Notice of Abandonment entries. As can be seen, there is no such docket entry. Additionally, an Incoming Mail Log is maintained in the docket records listing all office letters received by the mail date. A copy of this log for the mail date of February 13, 2002 is attached and it does not include a log entry for the Office letter.

The Office is also requested to remail the Office letter thereby restarting the period for response.

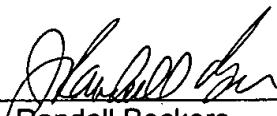

If this Petition is not granted, Applicants request revival of the application under 37 C.F.R. § 1.137(a) for the reasons set forth above. No response to the February 13, 2002, Office letter is submitted herewith, because having not received the February 13, 2002, Office letter, the response required is unknown.

Referring to M.P.E.P. § 711.03(c), it is believed that no fee is necessary for this petition. Please charge any required fee to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
